## **OVERALL REPORT OF QUARTERLY 1 ACTIVITY**

### **Exposure and field visit for Problem Identification**

**Title of the event:** The Department of Swasthavritta and Yoga in collaboration with Department of Agadatantra, SBSS KRISHNA AYURVEDIC MEDICAL COLLEGE AND HOSPITAL, Sankeshwar organized a two day educational trip for exposure and field visit for Problem Identification to “POISON DETECTION CENTER” Belagavi and “HIGH COURT” Dharwad.

**Objective of the event:** The objective of this tour is to broaden the students' horizons and enhance their learning experience.

**Date:** 19<sup>th</sup> and 20<sup>th</sup> October 2023.

**Time:** 2 days

**Participants Details:** Teaching faculty = 02

Students attended = 51

**Brief description of the activity:** The exposure trip comprised students of 3<sup>rd</sup> year BAMS accompanied by teaching faculty members. The First destination of the educational trip was Poison detection center, Department of forensic medicine and toxicology, Jawaharlal Nehru Medical college and Dr. Prabhakar Kore Hospital, Belagavi. The department museum houses a vast collection of specimens that showcase different cases of poisoning. It is an excellent opportunity for students to learn about various poisonous drugs, type of bullets, poisonous and non-poisonous snake specimens, visceral organs affected due to poisoning. The poison detection centre had toxicological analysis (qualitative) of blood, urine and stomach contents of living being. Thin layer chromatography technique was demonstrated to the students.

Second destination was the High court of Karnataka, Dharwad. Student visited the premises of High court of Dharwad. They had visited court proceeding room. Additional Registrar General Mr. Ron Vasudev and Additional Registrar (Judicial) Mr. Venkatesh Hulgi addressed students regarding law's related to doctors.

**Key Outcome:** The department museum houses a vast collection of specimens that showcase different cases of poisoning. It was an excellent opportunity for students to learn about various poisonous drugs, type of bullets, poisonous and non-poisonous snake specimens, visceral organs affected due to poisoning.

**VISIT TO POISON DETECTION CENTRE, JNMC BELGAVI**

**VISIT TO HIGH COURT OF KARNATAKA, DHARWAD BENCH**
