Self-Driven Activity under IIC5.0 (AY 2022-23)

Activity Name	Celebrating Successful landing of Chandrayan-III in south pole of the Moon
Mode of Conduct	Offline & Hybrid Mode
Date & Time	Conduct a 2-3 hours to half day long activity on any day between 2nd September to 15th September 2023 or Upload of Proof of Celebration if already organized on 23rd of August afterwards.
Participants	• Presence of all faculty and student members of the Institution's Innovation Council (IIC) established in the institute. • Participation of Students of the institute: Maximum possible participation • Participation of Faculty members: Maximum possible participation

Description	**Panning Guidelines**
	
	• Login into the Institution's Innovation Council (IIC) account and complete the My Council section by adding faculty and student members from different departments & academic years, and with 3 external members and assign different roles as mentioned in the drop-down list.
	• Conduct a meeting to plan for a 2 -3 hours long activity to celebrate India's Remarkable Achievement in Advancing Space Science and Technology – The successful landing of Chandrayan-III on the south pole of the Moon.
	• Invite all members of the IIC of your institute along with other students and faculty members to attend the celebration.
	• Organize a 2-3 hour to half day-long activity on any day between 2nd September to 15th September 2023 or Upload with the Proof of Celebration if your institute has already organized such celebration on 23rd of August afterward.
	• Document the activity and update in the IIC portal under two sections
	
	    1. Update under the 1st committee meeting of IIC organized to plan the celebration
	    2. Submit the report for the celebration of the Successful landing of Chandrayan-III on the south pole of the Moon.
	
	Activity Conduct Guideline
	• Display the video of Chandrayan-III landing telecasted on the ISRO YouTube channel in the meeting/celebration
	• Chandryan successful lunching
	https://www.youtube.com/watch?v=q2ueCg9bvvQ
	• Chandrayan successful landing
	https://www.youtube.com/watch?v=DLA_64yz8Ss
	• Hon'ble PM's Address to Scientists
	https://www.youtube.com/watch?v=7j0quQlgjwI
	• Institute can also organize **Storytelling sessions to** share inspiring stories on Great Indian Space Scientists and their Achievements.
	• **Submit overall report (in PDF only) of the activity under Self Driven category on the IIC portal.**

- In report, use logo of IIC and Institution, write Title and brief summary of the event, Participants details, photo/collage of participants & event or screenshot (for online activity), and key outcome of the activity.
- In report, you may include Media Coverage & feedback received from the guest/participants.

Benefit of organizing and Submitting as an activity in the IIC portal

- To activate your IIC and celebrate India's recent achievement in the space sector

- To upgrade the IIC status to "Active" and a golden opportunity to obtain at least "one star" for the IIC 5.0 (AY 2022-23) annual performance star rating.

- By activating the My Council, updating the Council meeting, and submitting a minimum 1 activity report, your institute will be eligible to apply for grant assistance & support from MoE's Innovation Cell/AICTE under the following schemes through the IIC portal

    o Impact Lecture Scheme to organize impact lectures in physical mode

    o Mentor-Mentee Scheme as a mentee institution to get mentor support from mentor institutions.

- The institute can nominate their faculty members to undergo the online Innovation Ambassador (IA) training program to upgrade their knowledge on innovation and entrepreneurship to drive the campus innovation and startup ecosystem

- Getting Active Status will complement the institute in getting extra weightage in various accreditation and approval processes such as NAAC, NBA, and AICTE, and also help in applying under various funding schemes of state and central govt. to promote innovation and entrepreneurship and startups in the institutions.
